CENTRAL CARIBBEAN MARINE INSTITUTE

Client Gifts That Create Lasting Impact

A gift they'll appreciate. An ocean that benefits.

REIMAGINE Corporate Giving

This year, rather than investing in traditional client gifts that generate single-use waste, create logistical headaches, incur high admin costs, and are often forgotten or discarded, choose something that reflects your company's values and creates lasting impact for the Cayman Islands.

By partnering with CCMI, your company can support marine conservation or environmental education while strengthening ESG and community investment initiatives.

We'll create a bespoke, co-branded digital package for your clients that allows you to share the story and impact of your gift with your clients and customers.

Transform your client appreciation into measurable environmental and community impact.

Why companies are choosing CCMI...

Meaningful Impact

Replace traditional token gifts with measurable programmatic impact that demonstrates your leadership.

Values & ESG Alignment

Gift budgets go directly toward special projects while reducing waste, logistics, shipping, and administrative costs for you.

Effective & Sincere

Highlight causes that matter to your business and connect your clients to important work being done in Cayman.

1. **Choose your impact**
2. **CCMI creates custom digital package**
3. **Share with your clients**
4. **Clients receive a meaningful gift**
5. **Receive mid-year CCMI update**

Choose Your Impact

CORAL RESTORATION

Support CCMI's empirically based *coral restoration programme* with an investment in our work to monitor and grow endangered staghorn coral in Little Cayman.

Our team maintains Cayman's first coral nursery, a deep-water in-situ nursery where corals grow in ideal conditions before being outplanted to restore reef health.

- **Protect an endangered coral species**
- **Restore Cayman's reefs**
- **Invest in scientific research**

Packages start at

CI $2,500

and are customised by gift level

MARINE ECOLOGY COURSE SCHOLARSHIPS

Help the development of tomorrow's environmental leaders through experiential learning at CCMI's 3-day/2-night residential *Marine Ecology Course*.

Your gift provides Year 6 government school students with access to critical early marine sustainability education, building ocean literacy and inspiring lasting stewardship.

- **Support marine science education**
- **Fund all-inclusive scholarships**
- **Inspire Cayman's future leaders**

Every donation of

CI $650+

sponsors a student scholarship

Give a gift that leaves a legacy.

Contact CCMI to discuss your corporate giving programme and budget.
Together we'll create a meaningful package that demonstrates your support.
